Atlantic Canada Coastal and Estuarine Science Society and the

Bay of Fundy Ecosystem Partnership

Guidelines for Submission of Abstracts of Papers and Posters

Deadline EXTENDED for Submission – February 14th, 2020

Abstracts of papers, posters, sessions, training workshops or plenary speakers should not exceed 250 words. They may be submitted in MS Word, WordPerfect or RTF formats. Abstracts should be formatted *as per the example below*). Use 12 pt Times New Roman font throughout, single line spacing, fully justified, with left and right margins of 2.5cm. The abstract title should be in title case (*principal words capitalized*) and in bold font. The author's given name or initials should precede the surname. The surname of the author who will lead the presentation should be in **bold**. The author's affiliation, city, province abbreviation and e-mail address should be in *italics*, with superscript numerals indicating affiliations for individual authors as required. All genus and species names should be in italics. At the end of the abstract please indicate your preferred presentation format: oral presentation, poster presentation, themed session (list presenters), panel discussion (list participants), training workshop (specify time and number of participants), no preference. Also indicate the e-mail address to which a notice of receipt and notice of acceptance should be sent.

Sample Abstract:

The Helminth Communities of Five Shorebird Species in the Bay of Fundy, New Brunswick, Canada.

Andy S**. Didyk**[1] and M.B.D. Burt[2]
[1]*University of New Brunswick, Moncton, NB. (andy@didyk.com)*
[2]*University of New Brunswick, Fredericton, NB. (mick@burt.org)*

As part of a larger study examining the helminth communities of five sympatric species of nearctic shorebirds collected at major stops along their entire migratory routes ……..
…… in terms of the importance of the burrowing amphipod, *Corophium volutator* Pallas, in the diets of the staging shorebirds.

Oral presentation.
Notice of acceptance to: imanamphipod@yourisp.com

****

Send the Abstract or Title* as an e-mail attachment copied to all of the follwing:
Seapencom@gmail.com; oceans2@ns.sympatico.ca; bruce_hatcher@cbu.ca

Before: **February 14th, 2020**

A confirmation of receipt will be sent to you.

***N.B.** Special dispensation for **Students ONLY:** The organizers recognize the realities of the Spring term, and will accept a Title without an Abstract as a placeholder until March 31st (at which time only minor changes to the title will be acceptable). Please do not submit a Title if you are not confident of attendance.
